*You can work wonders!*

**Living the Gospel through immediate mental services**

Mental health problems can escalate if not addressed quickly. That's why the five Catholic Family Services agencies in the Archdiocese of Toronto now offer walk-in counselling. This initiative can often meet clients need without requiring longer term counselling. Clients report a clinically significant increase in confidence that they can tackle their problems. For some agencies, ShareLife is the sole funder of this important program. By supporting ShareLife, you're helping restore hope to those in crisis.
