Something to ponder.....

“Jesus teaches the apostles the importance of faith and service to God. **Luke 17:5-10**”

Background on the Gospel Reading

In today's Gospel we hear Jesus teach about faith and service to God. The context is a continuing dialogue between Jesus and his followers about what it means to be a disciple of Jesus. Jesus has just finished an instruction on sin and forgiveness. There are two related teachings that Jesus offers to his disciples when they cry out for an increase in faith. The first is the familiar reminder that faith, even just a little, will enable the followers of Jesus to do wondrous things. But this uplifting and inspiring teaching is quickly followed by the second teaching, a caution about knowing one's place in God's plans. The disciples of Jesus are to understand themselves as servants to God and his plans. Even when God works wonders through us, with our mustard seed-sized faith, we must not seek praise. Our participation in God's plans is God's grace to us—nothing more, nothing less. When we are graced enough to cooperate with God, the work we do is nothing more than our obligation to God as faithful stewards. And yet, our faith enables us to believe that what we have offered in service to God, as his servants, can be made to produce a hundredfold.

Rosary—Month of October

The Rosary is such an important tool for prayer in our lives that the entire month of October has been dedicated to the Rosary. The liturgical feast of Our Lady of the Rosary is celebrated every year on October 7th.

It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church in answer to the praying of the Rosary by the faithful. In the month of October, let us consider this beautiful prayer of the Rosary as a means that we too can use in order to draw closer to Jesus and Mary by meditating on the great mysteries of our salvation.

Tradition holds that October has been celebrated as the month of the rosary since 1571, and the victory of the Catholic League (an alliance of Spain, Venice, the Papal States, Genoa, Savoy, and Malta) over the forces of the Ottoman Empire who were seeking to take over Italy in an effort to move into the heart of Europe. It was October 7, 1571 when the battle was fought and the Catholic League was able to overcome the Ottoman forces.

Prior to the ships sailing off towards battle, Pope Pius V prayed the rosary, asking for Our Lady's intercession in victory, and every man on board carried a rosary. For this reason, as soon as the men returned from the battle, Pope Pius V declared a feast day for Our Lady of Victory. A rosary procession was offered in St. Peter's square after the victory and in time the whole month became associated with the rosary, rather than just one day. Pope Pius XIII officially established October as the Month of the Rosary in the 1884. That year, he published *Superiore Anno*, an encyclical which was focused on recitation of the holy rosary. In it, he called for the entire Church to dedicate the whole of the month to the rosary and pray it daily.
