PASTORAL VISITATIONS

Coronavirus (COVID-19) Preventative Measures in Place

The Archdiocese of Toronto continues to work with health officials to monitor the local situation regarding active cases of the coronavirus (COVID-19). At this time, Cardinal Collins has asked all parishes to implement the following

measures:

- At the Sign of Peace, refrain from shaking hands – a simple bow, nod or “Peace be with you” to your neighbour is appropriate.
- For parishes offering communion under both species, forgo the distribution of the Precious Blood from the chalice for the congregation at this time.

Parishes should ensure that those distributing communion wash their hands or use hand sanitizer before and after the distribution of communion.

Please also continue to practice healthy hygiene – wash your hands with soap or use hand sanitizer regularly, remain home if you are sick, sneeze/cough into your sleeve and avoid touching your eyes, nose or mouth. Let us continue to care for ourselves and one another as we pray for all those impacted worldwide by COVID-19.

CHURCH/PARISH HALL HVAC REPAIRS

After consulting the members of the Finance Council and Kris Sharma, the consultant from Sharma & Partners Inc.), the parish is planning to replace the three big HVAC units for Church and Parish Hall. We are in the process of receiving the different tenders and are waiting for the final approval from the chancery office to execute these projects. The estimate amount of this project is **\$313,575** (with contingency and tax included). The total amount of the project will be taken out from our investment in the chancery office.

You can work wonders!
