***From the Pastor's desk....***

Last Sunday, we heard the video homily of Cardinal Thomas Collins on Stewardship. He challenged us to go deeper on the meaning of the spirituality of Stewardship.

Perhaps, most people think of Stewardship refers to fund-raising or asking donations. Others think stewardship in reference with the 3T's: time, talent and treasure. Yet, there is more to stewardship than the commonly known "three T's". Underneath the time, talent and treasure are four underlying core values: identity, trust, gratitude and love. These are the fundamental in developing the importance of time, talent and treasure. Once we understand the four values, the three T's take on an even greater importance, and then we truly understand on how to be good stewards. We remember who we are. We trust enough to let go and let God. It is a sign of our love to give the best by putting God first in our lives and in our spending. We love God as he loves us. We express our love of God by giving of our time, talent and treasure. As St. Peter said, "As each one has received a gift, use it to serve one another as good stewards of God's varied grace" (1Pt4:10)

As a parish community, we will embark to the challenge given to us by Cardinal Thomas to see where we are heading in the next five years. The Archdiocesan Pastoral Plan through Stewardship will be our guide. As you remember, I introduced to you the 8 Core Directives of the Pastoral Planning designed to help us to develop a customized stewardship parish plan and begin implementation of activities that further foster stewardship as a way of life in the parish.

The Stewardship committee has attended the first Stewardship Formation day at our parish on March 7<sup>th</sup>, 2020 and other webinars meetings. The Stewardship committee will help us to pray and plan, establish, sustain and discern Stewardship in our parish. Unfortunately, due to COVID-19, everything is on hold until the church will be opened in full force. However, we will take this process slowly with the help of the Holy Spirit. We are hoping to see the result before we celebrate the 35<sup>th</sup> Anniversary of Prince of Peace on May 17<sup>th</sup>, 1987.

In the meantime, if you want to get more information about the Stewardship, I encourage you to see the following:

1. Pastoral Planning at our website (under by Our Catholic Faith)
2. Stewardship Formation Day videos 1-5 that took place in our parish in March (you tube: stewardship videos archdiocese of Toronto)
3. The Cardinal Thomas Collins ' Pastoral Letter on Stewardship' at [www.archtoronto.org/Stewardship](http://www.archtoronto.org/Stewardship).

If you have any questions, please feel free to call me or talk to the Stewardship Team.

**SUNDAY REFLECTION.....**

*(Matthew 21: 28-32)*

The context for today's Gospel is the mounting tension between Jesus and the Jewish religious leaders. Jesus has entered Jerusalem and overturned the money changers' tables in the Temple. Jesus has caught the attention of the religious authorities; the chief priests

and elders question Jesus about the source of his authority. Jesus refuses to name for these religious leaders the source of his authority. Instead, he questions the priests and elders through the parable we hear in today's Gospel. The answer given by the religious leaders is correct, but it convicts them for their failure to heed the call of John the Baptist and for their inability to recognize the Kingdom of God.

The situation Jesus poses is rather straightforward. Given the same task by their father, one son asserts his disobedience in words, but then obeys in his actions; the second son obeys with his words, but disobeys in his actions. The question that Jesus poses is pointed and direct: Which son did what the father wanted? All would agree that "actions speak louder than words" and that even if his words were disobedient, the son who did the work as ordered did the father's will.

Jesus' conclusion is also direct. The chief priests and elders, the ones who speak most often about God, did not act accordingly. They did not respond to the message of repentance announced by John the Baptist with a change of heart. Instead, John's message was heeded by those one would not expect to repent—tax collectors, prostitutes, and other sinners. Because of their actions, these sinners will enter the Kingdom of God ahead of the religious leaders. Jesus could ask us the same question. Do our words indicate our obedience to God? If not our words, do our actions? God desires a full conversion of heart, that our actions (and our words as well) will give evidence of our love for God.

Let us pray!

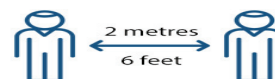

For those who are sick members of our parish and those who love and minister to them.
